Education

Graduated 2025	Bachelor of Mechanical Engineering (GPA 3.44/4.00) Universitas Trisakti, Jakarta.	Academic Achievement Scholarship – Odd Semester, Academic Year 2022/2023.
Graduated 2020	Gaithersburg High School, Maryland, United States.	Recognized as Best Student in ESOL Class (English for Speakers of Other Languages).

—

Experience

July 2026 – August 2026
Audio Annotator / AI Evaluator (Freelance)
Outlier (Aether Project), Remote
- Held spoken English conversations with AI voice agents and noticed errors in accent handling, prompt reception, context, empathy, topic changes, and memory of long conversations.
- Compared two agents (A or B), decided which performed better or whether they were equal, and flagged any failure to follow through on human safety.
- Wrote clear reasoning for each chosen agent in my own English, with timestamp details, without using a translator or AI.

August 2025 – June 2026
Mechanical Engineering Intern (Static Equipment Inspection)
PT. PETROKIMIA GRESIK (Petrochemical Plants), Gresik Indonesia
- Supported NDT inspections during Turnaround, including PT, MT, hydrostatic and leak testing.
- Performed routine VT/UT inspections of heat exchangers, piping for corrosion, welds and CUI.
- Performed basic thickness checks according to ASME B31.3 under supervision.
- Digitized piping isometric drawings in AutoCAD and supported HTHA risk identification for Syngas and Process Gas lines.
- Internship report (defended): nitriding of the Johnson screen in the ammonia converter.

January 2025 – Present
Part-Time English Teacher
Boardicle (English e-learning platform), Indonesia
- Taught English conversation and General English across proficiency levels A1–C1.

October 2024 – December 2024
Teaching Assistant: Mechanical Drawing Practical Course 1 & 2
Universitas Trisakti – Department of Mechanical Engineering

- Taught technical drawing and GD&T using manual drafting and AutoCAD, and gave individual feedback on student drawings for each module exercise.

February 2024 – June 2024 **Teaching Assistant: CAD/CAM Practical Course**
Universitas Trisakti – Department of Mechanical Engineering
- Taught CATIA V5 (3D part and assembly modelling, GD&T); supervised and graded practical work and final projects.

October 2023 – December 2023 **Warehouse Assistants (*FerienJob*)**
Deutsche Post DHL, Kitzingen, Germany (via Synergie employment agency)
- Assisted with parcel handling, sorting and loading dock operations.
- Assisted with warehouse workflow and safety procedures.

January 2023 – February 2023 **Maintenance Intern**
PT. Semen Bosowa Maros, Maros, Indonesia
- Assisted with inspection and maintenance of cement mill components (cleaning, replacement, minor repairs, data collection).
- Internship report (defended): case study on replacing the bag filters of the mill dust collector.

—

Organizational Experience

2023 - 2024 **Student Executive Presidency, Trisakti University (Presma)** — Secretary & Treasurer

2022 - 2023 **Student Executive Board, Faculty of Industrial Technology (BEM FTI)** — Communication & Information Staff

2021 - 2022 **Trisakti University Choir** — Documentation & Publication Staff

—

Volunteer Experience

2023 - 2024 **Trisakti University Student Orientation Program 2023** — Group Leader

2022 - 2023 **Blood Donation Event "Share Life Share Health", by Student Executive Presidency** — Logistics Committee

2021 - 2022 **Faculty of Industrial Technology: Student Leadership & Management Training** — Catering Committee

2021 - 2022 **Trisakti University Student Orientation Program 2022** — Logistics Committee
